Maria José de Sousa Moura
Prefeita Municipal

1. The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for the integrity of the financial system and for the ability to detect and prevent fraud.

2. The second part of the document outlines the specific requirements for record-keeping, including the need to maintain original documents and to keep copies of all supporting documents. It also discusses the importance of ensuring that records are accessible and can be retrieved in a timely manner.

3. The third part of the document discusses the importance of training staff on record-keeping procedures and the need to ensure that all staff are aware of their responsibilities. It also discusses the importance of regular audits and reviews to ensure that records are being maintained in accordance with the requirements.

4. The fourth part of the document discusses the importance of ensuring that records are protected from loss, damage, and theft. It discusses the need to implement appropriate security measures and to have a disaster recovery plan in place to ensure that records can be recovered in the event of a disaster.

5. The fifth part of the document discusses the importance of ensuring that records are retained for the appropriate period of time. It discusses the need to have a clear policy on record retention and to ensure that records are not destroyed or disposed of prematurely.

6. The sixth part of the document discusses the importance of ensuring that records are accurate and complete. It discusses the need to have a clear policy on record accuracy and to ensure that all records are properly entered and maintained.

7. The seventh part of the document discusses the importance of ensuring that records are available to the appropriate authorities. It discusses the need to have a clear policy on record access and to ensure that records are available to the appropriate authorities in a timely manner.
